

ScribeEC Series

Standalone CD-R/DVD-R Duplication System

Professional-Grade Duplication

The ScribeEC SA standalone automated duplicator provides the power of automated duplication in an economical and easy to use system requiring no PC. All models in the ScribeEC SA Standalone Series feature one-button operation, making them as easy to use as a photocopier!

Endless Configurations

Configure the ScribeEC SA Standalone Series to meet your duplicating needs! Choose the 2, 4, or 6 drive model with 52X CD ProDRIVES or 8X DVD / 24X CD drives. Add a thermal or inkjet printer for a complete in line copier system! Or choose one of the 6 drive CD or DVD duplicators for lightning-fast efficient commercial duplication.

Features

- Large Disc Spindle Capacity - holds up to 600 discs
- Compatible with inkjet and thermal printers
- Flexibility - Choose from 2, 4, or 6 drives
- Available in CD or DVD
- License-free network client Command Module software allows you to submit, edit, or check status of duplication jobs from any computer across your network to single or multiple copier stations for high volume production

3704EC with Thermal Print

Advanced Features

Relay Mode allows you to copy from multiple masters with no user intervention, while Asynchronous Duplication / Printing allow

each drive to

operate fully independent of the others. Put these together for lightning-fast, unattended copier operation! Plus, the ScribeEC SA Standalone Series includes audio track extraction - great for making audio compilations.

Exclusive Audio CD Frame Accurate Drive Technology

The ScribeEC SA standalone featuring our exclusive frame accurate technology offers enhanced professional audio capabilities. And thanks to this, MF DIGITAL copiers are the only ones that allow 100% verification of audio CD recordings.
